

We are hiring!

Marketing Media & Graphic Design Specialist (all genders)

#challengecheck

- Independent, creative implementation of marketing and communication activities in visual terms oriented towards the respective target group (interested parties, customers, applicants)
- Graphical processing of target group-specific content for digital communication channels
- Technical and graphic support as well as further development of our website (WordPress)
- Graphic design of presentations and company publications
- Creation of visual elements for marketing campaigns (website, banners, videos, diagrams and logos)

#skillcheck

- Training / studies in the field of graphic design or media designer
- First experience in digital marketing with a focus on media / graphic design and social media, preferably in a technically oriented company
- Ability to understand complex technical information and to translate it into easy-to-grasp graphics
- Very good knowledge of Adobe programs (Photoshop, InDesign, Illustrator), the MS Office Suite and WordPress
- Excellent written and spoken English
- Creative, structured and analytical way of working with a keen eye for details
