

# JOIN OUR TEAM

If you are  
**Senior Consultant SAP Basis** (all genders),  
we look forward to talking to you.

## #benefitcheck

- Technologically challenging tasks and projects
- Trusting and open cooperation
- Career model with concrete opportunities for advancement and structured development paths
- Possibility to work up to 80% mobile
- Little travel activity
- Sustainable and CO<sub>2</sub>-neutral mobility concept

## #challengecheck

- Understand our customers' enquiries and answer them competently
- Record requirements, develop solution approaches and convert them into structured concepts
- Innovative process and organizational consulting to optimize the system landscape of our customers
- Conception, implementation, documentation, testing and adaptation of customer systems with high complexity
- Depending on the level of personal development, independent work increases. From the processing of work packages to the implementation of the concept to the management of smaller and larger projects.

## #skillcheck

- Several years of professional experience in the above-mentioned task environment
- Great passion for technical SAP-Basis topics
- Solid experience in advising medium-sized companies in different industries
- A high level of consulting expertise paired with the motivation to optimize our customers' processes
- Curiosity, willingness to learn and motivation for further development
